Coloso – Capturing Stylized Movement with Dynamic Poses: Discover the art of capturing stylized movement with dynamic poses in this comprehensive class led by renowned storyboard artist SolKorra

SolKorra introduces a unique approach to art in this course, emphasizing energy, flow, and movement over strict structure or anatomy. You'll learn to strike the perfect balance between sacrificing anatomical accuracy for enhanced motion in your drawings.

Why Take This Class?

- Gain essential tools to overcome drawing frustration and develop resilience in your artistic journey.
- Learn to combine anatomy and dynamic poses to convey a better sense of movement in your character illustrations.

Class Highlights:

- **Gesture Drawing for Sketching:** Master the art of fast sketching to create solid and captivating character poses.
- **Movement Is King:** Understand the importance of action lines in dynamic drawing and learn to depict natural and smooth movement.
- **Dynamic Duo: Movement & Anatomy:** I seamlessly merge anatomy and gesture drawing to create compelling and harmonious illustrations.

What You'll Learn:

- **Simplification & Clean Lines:** Discover tools for portraying movement effectively through simplified and clean lines.
- **Simplified & Stylized Anatomy:** Learn to create natural-looking character poses using stylized and simplified anatomy.
- **Composition:** Explore how to incorporate objects into your character illustrations and consider their impact on the scene.

Don't miss this opportunity to elevate your drawing skills and infuse your illustrations with captivating movement, guided by the expertise of SolKorra, a powerhouse storyboard artist with extensive experience in bringing stories to life through photographs and animation.
