**How to storyboard ebook & video:** The book contains instructional videos and 2 hours of video tutorials on drawing storyboards. In this Ebook, I'll start with something simple and then go into greater detail. It's an excellent resource for beginning artists and those who are more experienced and would like to explore storyboarding. Suppose you're not planning to pursue storyboarding. In that case, it's a good idea to know the basics of this because it is very likely that you will need to collaborate with storyboard artists, or perhaps you're required to create a storyboard since you're the only artist on hand. Maybe you're just looking to know how to create the story of your choice. I'll show you how I create storyboards, but I'll also teach you how to compose and create your story, the process of composition, and more.

### Included Content:

- Coming up with ideas
- Story structure
- Character archetypes
- Composition
