

### Epic Stock Media – Sci-fi World Colony

2025-02-10 16:58:26 label 我要反馈 下载页面

**Epic Stock Media – Sci-fi World Colony:** Science-fiction World Colony includes 4GB of songs to select from and more than two hours of loopable ambients and background tones. Each loop lasts for 1 minute long and comes with two different versions of the main loop. This allows you to control your game's background sound in the way you'd like. If the loop is too much going on you can try a smaller version that doesn't have the sounds you don't want to hear.

### Gfx plugin details of Epic Stock Media – Sci-fi World Colony

The Sci-Fi World Colony is rapidly being included in sound designer collections as a reliable source for audio ideas. It allows you to create new environments that are full of vivid atmospheres, and build your background music in the way you like it. Explore the deeps of a mine or hear the sounds of a subway using these tones that set the scene.

Sci-fi World Colony is the first release in the Sci-fi World ambience loop library series. The recordings are royalty-free and are delivered in 96kHz/24bit. This gives the best quality for editing sound as well as pitch shifting and FX processing while maintaining an unbeatable level of clarity and accuracy.
