**Meridian – India Earl – Drift Motion Blur LR Presets:** Immerse yourself now and let 'Drift' transform your photographs with the trending magic of motion blur.

Every second counts in the rush of a shoot, and 'Drift' empowers you to capture the essence of movement without the hassle of complex camera settings. Co-created with the talented India Earl, 'Drift' offers 18 motion blur effects and our LLFX plugin, allowing you to infuse your images with dynamic motion after the shoot.

**Included in 'Drift' are:**

- 6 Full Frame Drift presets: Sweep your image with a smooth, sweeping blur, mimicking the fluid motion of a panning camera.
- 6 Radial Drift presets: Keep the central focus sharp while blurring the surroundings radially, drawing attention to your subject.
- 6 Corner Drift presets: These presets add a subtle blur to specific corners of the image, creating depth and dimension while maintaining focus on key elements.

Seize every moment effortlessly and weave motion into your memories with 'Drift.' Stay on-trend with its elegance. Infusing each image with emotional depth and transforming static snapshots into scenes brimming with life, 'Drift' offers harmony in movement, ensuring that every added motion feels natural and integral to your composition.
