Komorebi Audio UK Garage Samples: Presenting "UK Garage Samples" – your ultimate arsenal for capturing the authentic essence of UK Garage music, meticulously crafted by acclaimed sound designer Harry Robinson and powered by Komorebi Audio.

This thoughtfully curated collection boasts 156 one-shots and 272 loops, each expertly designed to infuse your music with the undeniable energy, rhythm, and soul synonymous with the UK Garage genre.

From impactful kicks to velvety chords, this sample pack delivers a diverse array of one-shot samples, serving as the foundational elements for your tracks. Explore a rich selection of bass hits, drum hits, synth stabs, vocal chops, and more, providing the perfect building blocks for your unique hooks and beats, granting you endless creative freedom in your production.

Complementing the one-shots is an extensive assortment of loops, encompassing drum grooves, basslines, synth riffs, and vocal runs. Carefully crafted, each loop seamlessly integrates into your projects, offering the rhythmic and melodic core that defines the UK Garage sound. These loops are ready to be effortlessly dropped into your DAW, saving you valuable production time and igniting your creativity.

We value your creative autonomy, which is why all samples and loops in this pack are 100% royalty-free. Utilize them in your tracks, remixes, or live performances without any concerns about licensing or royalties. Your music, your control.

As always, all sounds are provided as 24-bit WAV files, ensuring top-notch quality, and are entirely royalty-free.
