Interior Design Made Easy by Gianina Mateil: Greetings and a warm welcome to "Interior Design Made Easy"! I'm thrilled to have you join this course. Whether you're looking to arrange or renovate your home for the first time, enhance your comfort and happiness in your living space, or educate yourself in the field of interior design, you've come to the right place. No prior interior design experience is necessary. I've designed this course as the ABCs of interior design, making it accessible to everyone.

My journey in the interior design realm began six years ago, and I've been sharing my knowledge for over two years on platforms like Kajabi. My Instagram page is blank. The design has garnered nearly 52,000 followers in less than two years. With over 2,000 students across various platforms, I'm grateful for every opportunity to impart valuable information. I've put my best effort into crafting content and graphics to ensure you have an exceptional learning experience. This course covers the fundamental principles of interior design that everyone should be acquainted with.

Here's a glimpse of what the course includes:

- Introduction - What to expect in this course
- The Elements of Interior Design: Learn the basics for achieving harmony through space, colors, lights, shapes, and accents.
- Let's Lay the Foundations: Discover considerations for arranging a room and balancing harmony, functionality, and budget.
- Chromatics: Explore the world of colors, their meanings, and how to combine them effectively.
- Lighting: Choose the proper lighting for each room and calculate light needs accurately.
- Interior Design Styles: Explore 13 popular styles and their characteristics, and find inspiration for your home.
- Kitchen Ergonomics: Arrange your kitchen for attractiveness, functionality, and safety.
- Design Principles: Understand ideal distances between furniture and proper positioning in each room.
- Designing a Small Space: Learn tips and tricks to make small spaces feel larger.
- Organizing the Space: Optimize your space, declutter, and efficiently store your belongings.
- Case Study: Join me in setting up an apartment from scratch.
