Tailoredsonics Phonk: Roots Drum Kit (WAV): Back to the Roots! This drum kit pays homage to the classic BOSS Dr. The Rhythm DR-660, the legendary drum machine that produced the distinctive and gritty tone that is heard in 95% of Memphis rap beats of the 1990s. This kit features carefully sampled and professionally processed sounds that are from the DR-660 that capture the raw and unpolished nature of underground hip-hop. With this kit, you'll be able to bring the original Memphis music to your music and add a bit of hip-hop's history into your music.

Note This Drumkit contains NFO files contained in this Drumkit can be used to reskin folders of FL Studio. You are free to delete or edit them at any point.

This Drumkit includes 603 files, with 24-bit WAV, 44.1kHz (both treated and non-processed):
