Pearly Font – Display Modern Serif Font with Extra Glyphs:

More details about this Font

Pearly is a contemporary serif font that has a strong and solid style. It is modern and has a vintage style.

Pearly comes with additional glyphs that provide more choices for designers in their designs. The additional glyphs make the appearance more elegant stylish, chic, and fun.

Pearly is great for a variety of designs, including contemporary or retro design branding, logos craft, sticker wedding invitations, sublimation, and more.

- Lowercase and Uppercase (include PUA-Encoded additional glyphs)
- Punctuation and Numerals
- Most Multilingual Accent
- It can be used with any software such as Adobe Photoshop, Illustrator, Silhouette Studio, Microsoft Word, PowerPoint, and other programs.
- This file contains: OTF and TTF
