Beginner Guide for T-Shirt Design to Become Expert: Learn T-Shirt Design in Illustrator: Welcome to our Adobe Illustrator T-shirt Design class! Whether you're a beginner or looking to advance your skills, you're in the right place. We'll cover everything from the basics to more advanced techniques.

Here's what you'll learn in this class:

- Introduction to Adobe Illustrator
- Understanding the Workspace and Interface
- Basic tools for T-shirt design in Adobe Illustrator
- Progressing from basic to advanced T-shirt designs
- Customizing fonts and elements
- Incorporating photos and AI objects
- Editing objects and converting them into outlines
- Mocking up designs on T-shirts
- Using masking techniques
- Creating and editing shapes
- Using gradients and colours effectively
- Designing various types of T-shirts

By the end of this class, you'll be able to:

- Create your T-shirt designs
- Feel comfortable navigating the Adobe Illustrator workspace
- Have a firm grasp of creating and editing shapes and objects
- Customize elements to your preferences

This is a project-based class, so you can apply what you've learned through class projects. Additionally, supporting resources will be provided to aid in your learning process. Let's get started and unleash your creativity in T-shirt design!
