Refined x KT Merry – Presets & Profiles:

The Refined x KT Merry: Timeless Elegance for Hybrid Shooters is an exclusive line of 14 meticulously crafted presets developed in collaboration with wedding and editorial photographer KT Merry.

These presets, designed for hybrid shooters, bring her classic, painterly aesthetic to both digital and film photography. They enhance images with lifted shadows, low contrast, and a soft color palette, highlighting natural beauty and delivering a refined, ethereal look. The presets are versatile and easy to use, perfect for weddings and editorials, and come with workflow tools, free upgrades, and editing support. Lightroom and Capture One versions are sold separately, with each offering specific presets and profiles.
