Create & Sell Coloring Books Online: Unlock the secrets of creating and selling coloring books on Amazon, even without graphic design skills. Dive into the realm of launching your own Coloring Book Publishing Business, utilizing free software and resources to craft captivating coloring pages. This comprehensive course, led by Joni Toikkanen, offers step-by-step guidance on transforming existing photos into coloring book pages and tapping into hidden sources of professionally made graphics.

1. Create Your Coloring Book:

- Explore the basics of coloring books and low-content book creation.
- Step-by-step guidance on setting up an Amazon KDP account.
- Conduct effective market research on Amazon to boost book sales.
- Correctly configure your Amazon KDP account for seamless payments.

2. Craft Eye-Catching Coloring Pages:

- Learn to design in-demand mandala coloring pages.
- Transform almost any photo into a captivating coloring page.
- Discover how to outsource coloring pages and find free, ready-made graphics.
- Step-by-step instructions on creating both the interior and cover of your coloring book.

3. Publish Your Masterpiece:

- Navigate creating an Amazon KDP listing and publishing your coloring book.
- Conduct keyword research to optimize your book for maximum sales.
- Scale your coloring book business using Amazon ads.

• Gift #1: 4 X Done-For-You Coloring Book Interiors

- Ready-to-use interiors to fast-track your first coloring book.
- Save \$550 by receiving these interiors for free.

• Gift #2: Under 10-Minute Low Content Book Creation Masterclass

- Multiply your profits by swiftly creating journals, logbooks, and other low-content books.
- Learn the art of crafting low-content books in under 10 minutes.

With Joni Toikkanen's expertise, turn your dream of generating passive income into reality. No complex sales funnels or massive email lists are needed. Leverage this training to become a successful book publisher in the evergreen niche of adult coloring books, where demand is soaring. Discover the art of reducing stress and promoting relaxation through coloring, making your creations highly sought after in today's uncertain times. Don't miss the chance to tap into this lucrative opportunity and start your profitable coloring book publishing business.
