Make Your Paper Doll in Procreate: In this course, you'll learn to design the design of your retro Paper Doll in Procreate.

Are you fascinated by vintage fashion and Fashion Design in general? Do you like designing your character's outfits the same way I do? Creating your Paper Doll is a beautiful opportunity to explore various styles and show off your stunning designs!

This class suits all levels of experience, whether a beginner or a professional! The goal is to help you feel more comfortable and adventurous in creating clothing and drawing as you create your personal Paper Doll.

We'll look at various fashion trends, eras, and sources to find inspiration, giving you the foundation to select a theme and distinctive designs for your personal Paper Doll. Also, we'll learn ways to replicate the analog printing process to give our illustrations the look of vintage.

What you'll learn from this class:

- A step-by-step guide to how to make the perfect Paper Doll
- Tips for finding style inspiration and designing your mood board
- Help in choosing a fun design and creating unique clothes
- Learn how to use the Procreate Symmetry Tool.
- Learn how to bring an analog and retro look to your drawings
- Tips to draw, color, and Texturing in Procreate
- A brief background of Paper Dolls
