**Home Lightroom Presets By Design Addict:** These presets are perfect for anyone who is looking to enhance their photos. You can often achieve a stunning result in just one click. However, individual photos can be adjusted.

- Just one click.
- High-quality result. Easy to modify effects.
- Non-destructive Workflow.

### Compatibility:

- Lightroom CC
- Adobe Lightroom Mobile
- Compatible on both Mac and Windows
- Works with RAW and JPEG files
- Can be adjusted to fit your image easily
- Instructions for installation are included

No Creative Cloud Subscription Required

Both native and DNG mobile presets will be available! The DNG presets can be used even without a subscription. Subscribers can access the native mobile presets for the opacity/amount settings.

Be aware that presets can be used with different photos depending on lighting, tone, and white balance.
