Epic Stock Media AAA Game Character Giant WAV:

"AAA Game Character Giant" from Epic Stock Media is a voice-over library that features strong male "giant" vocals on a task to bring vengeance on the sound effects you create for your games. He's thirsty for man-flesh soup and loves naps on destroyed villages, and believes that everyone owes him a tribute to silver and gold. Rekindle an old-fashioned fantasy character that will rule the thunder when you create your next sound production.

Gfx plugin details of Epic Stock Media AAA Game Character Giant WAV

The product is in **SOUND EFFECTS category** , for more information about this post you can click on the home page link in the sidebar.

This pack includes incredible voice-over files such as battle cries, vocalizations dialogue, and everything else you require to make exciting characters, captivating stories and cinematic cut scenes trailers films, and more. The huge's voice texture is powerful, hard-hitting, and has a lively dynamic range that keeps things clear and clear.
