True Grit Texture Supply – KolorMarc for Photoshop: KolorMarc is the all-inclusive toolkit to capture the warm humanist style of traditional studio-quality alcohol markers while retaining the flexibility and power of digital.

You were specially designed to recreate the smooth glide and effortless mixing characteristic of Copic markers. KolorMarc's precisely set flow settings, and the built-in blend board texture, allow you to render the same quality of analog work straight from the box. Offering a wide range of blend styles, nibs, and effects, KolorMarc brushes have been through many hours of actual testing and constant comparison with markers in the real world to make the perfect studio marker set.

What you'll find out:

- Analog-quality, high-quality results that have a more responsive and softer feel.
- A finely tuned design that is pressure sensitive allows subtle variations with each stroke.
- There are a variety of brush tips to suit an array of rendering styles.
- It was created from scratch to ensure maximum performance for each compatible app.
- Video tutorial with detailed instructions included.
- Ensure you know your brushes fast thanks to an easy-to-follow user's guide.

What you receive:

- 30 x Brushes, total:
- 06 x Fine Tip Liners
- 03 x Taper Tip Liners
- 06 x Chisel Tips
- 06 x Brush Tips
- 01 x Big Fatty
- 08 x Fills & Effects
- Installation instructions and user's guide
- Video tutorial that explains many tricks and tips

Level of Skill:

The system is ideal for both novice and experienced users of all levels. Installation is simple and detailed instructions.
