Most important instruction:

- (1) The first step is to open an image within Photoshop. You must now resize the image. Select the crop tools in the top menu bar to resize your image. You will find W x H Reso three boxes. Write W 3000px, H 2000px, Resolution 72. Extend the area around your image for optimal results. Choose your background image, use the cropping tool on the toolbar, and then expand it to the entire sides. After that, press Enter button.
- (2) Open your image. Make a brand new layer, then change the name to "paint" (in lowercase). Select a brush, and paint your photo. Close the "paint" layer eye and maintain the selection "paint" layer, then click the play action button.
