Roli FXpansion Strobe2 Trap Basses Soundpack:

Push your speakers to the limit with Trap Basses, an impactful assortment of saturated thuds, powerful low frequencies, and sub-bass that will reverberate through your tracks.

Drawing inspiration from the iconic 808 classics, this Strobe2 and ROLI Studio sound pack delivers the shuddering punch necessary to establish a contemporary bass foundation for any vibrant production.

Comprising 20 Standard and 20 MPE presets.
