Description

Have you always wanted to know how to edit videos but aren't sure how to begin?

Do you want to create incredible videos and bring your thoughts to reality?

If so, Adobe After Effects 2022 Projects is a perfect choice!

Hello, Your instructor is Josh Werner and I'll be taking you through this class.

Video Editing will be a highly sought-after ability in 2022.

The course starts with the fundamentals.

I'll walk you through the basics you need to know in order to begin Editing Videos like an expert.

You'll be taught the basic concepts that are required to use Adobe After Effects 2022.

This is great for those who are just beginning their journey or Video Editors who need to refresh their training on Adobe After Effects 2022.

There aren't any requirements for enrollment. All I ask is that you be open-minded and eager to take on the challenge of learning

Feel free to browse the description of the course and check out some of my video previews
