Creative Studio Promo (Videohive 10089462) - AE Project

2025-02-10 17:12:44　　label 我要反馈　　下载页面

The Creative Studio Promo Package is a comprehensive set of high-quality assets designed to promote creative studios or workshops effectively.

How to design a creative project for advertising in After Effects?

You can use "Creative Studio Promo" to design your project.

It includes a variety of real-world objects, textures, and imaginative designs, suitable for building company promos, show reels, instructional series, video brochures, webisodes, and more.

The package encompasses a range of elements such as openers, logo reveals, bumpers, overlays, lower thirds, title bars, logo bugs, transitions, text pages, backgrounds, film leaders, film clutter, credits, and film titles.

"Creative Studio Promo" Samples:

All elements are fully editable, and sound effects are included. The package is compatible with After Effects CS5 and later versions, features 1920×1080 HD resolution at 29.97fps, requires no plug-ins, and is easy to modify for various purposes. The project archive contains After Effects project files, footage, graphics, sound effects, and detailed instruction files.

Package information

This Creative Studio Promo Package, last updated on January 16, 2015, is compatible with After Effects versions CC, CS6, CS5.5, and CS5, and includes After Effects project files with universal expressions.
