**Interview with Ben Fenske with Johanna Schwaiger:** In this episode, the artist, as well as NMA Director of the program Johanna Schwaiger, will be interviewing Ben Fenske, an exceptional oil painter with the spirit of Impressionists of the 19th and 20th centuries. Ben will share with you his process of creativity and the inspiration he draws from the Russian Impressionists. It will be interesting to hear his thoughts regarding composition, lighting, and preferred paint materials. In the end, Ben will give you an overview of his coming course at NMA.

This episode is part of the podcast The Path to Mastery. In this podcast, Johanna Schwaiger will interview experts from various visual art areas. Every artist will discuss their artistic practice, inspiring tales, and career advice to help you get inspired. Suppose you're looking to become an artist full-time and work in large-scale production firms. In that case, these inspirational episodes will provide you with essential information to prepare for your next level of mastery.
