

PreSonus - Euphoric Apex

2025-02-10 16:49:17 [label](#) [我要反馈](#) [下载页面](#)

PreSonus - Euphoric Apex: Euphoric Apex is hard-hitting in the Ibiza-classic spirit. Progressive, Big Room House DJs and producers from the past and the present. Glissando powerful leads with fist-pumping dancehall crescendos swell the mood, only to be replaced by endless, sidechained, four-on-the-floor kicks.

Gfx plugin details of Presonus Euphoric Apex SOUNDSET

The product is in **SOUND EFFECTS category** , for more information about this post you can click on the home page link in the sidebar.

The package includes ten multitrack kits for construction in song format, including adrenaline-filled intros, stunning builds, thrilling risers, choruses, and epic drops. Synth elements such as basses, arpeggios, and leads are separated into stems composed of constituents. They contain MIDI information that can be used with any virtual instrument you enjoy. The specific instrumentation can vary slightly per track. However, you'll generally find kick and snare sounds, hats, drums, etc. All loops and sounds are royalty-free to remix and mix into your custom-made hangover-inducing EDM cocktail.
