

Curved Video Wall Intro Pack (Videohive 38873957) - AE Project

2025-02-10 17:10:58 label 我要反馈 下载页面

Curved Video Wall Intro Pack VH-38873957: Curved Videos Wall Intro Pack is an intro pack that focuses on the idea of broadcasting of video walls that have multiple video screens. It comes with two different kinds of intros as well as three loop-able video scenes. You can upload your own video clips or upload your own images in the project to promote your video or stock footage and videos. There's an AE script that is included in the package that allows you to add your images or videos to the video with just one click. Take a look at the tutorial video to learn more about how it operates. It is simple to edit the project without any plugins. The Project includes more than 500 placeholders for video and photos. The project is created using a Full HD resolution 1920x1080 version. This project runs on Adobe After Effects CC2019 and later versions. The music and stock footage included in the preview aren't included.

- High Definition Resolution Full HD 1920x1080.
- Compatibility with After Effects CC2019 and higher versions.
- All of our products are customizable.
- It is home to 500 placeholders
- AE Script included for one-click video replacement
- No plugins are required.
- Video Help is included to help you customize the project.
- Images/Videos are used for preview only. They are not part of the Project.
- The font information is available within the Help File.
