While shooting and editing constitute only 20% of the creative process, delving into the world of printing unlocks a new level of artistic expression. Roberto Valenzuela, a renowned photographer, author, and educator based in Beverly Hills, CA, guides you through this transformative experience.

About Roberto: As a distinguished Canon Explorers of Light group member, Roberto Valenzuela is one of the most influential photographers globally. Drawing from his background as a professional concert classical guitarist and educator, Roberto has developed a unique teaching style, emphasizing deliberate practice as the core of skill and achievement. Roberto's extensive travels worldwide have motivated photographers to approach their craft with the dedication and precision musicians exhibit in perfecting their instruments before performing on stage.

Widely recognized for his contributions to photography education, Roberto Valenzuela is the author of a highly acclaimed book trilogy: "Picture Perfect Practice," "Picture Perfect Posing," and "Picture Perfect Lighting." Translated into multiple languages, including German, Chinese, Indonesian, Spanish, Portuguese, and Korean, these books have become industry staples used in academic photography departments.

His latest book series, "Wedding Storyteller Vol. 1 and 2," is history's top-selling wedding photography book, further solidifying Roberto's impact on the photography world. Join him on this artistic exploration and discover the transformative power of inkjet printing in bringing your images to life.
