SOUND EFFECTS

Bluezone Corporation releases 'Battlecruiser - Spaceship Sound Effects' an all-new sound library that covers an array of custom-designed SFX. This sample pack can be downloaded and packed with sounds that will arm audio designers with an arsenal of 154 expertly constructed spaceship elements, such as alarms, command centre ambiences as well as deep interior and exterior atmospheres, machine room background and drone sounds and energetic elements, high tech interface sounds and beeps huge explosions and rumbles from reactors spaceship passing by and transmitting sounds.

The files are all labeled and sorted according to the theme. To provide you with the best sound effects to use in your productions, all samples are royalty-free for commercial projects.
