Cycles and Spots Chillout Arps (WAV): Cycles & Spots presents 180 WAV loops tailored for Chillout and Ambient productions. The collection is thoughtfully divided into 80 effect loops and 100 harmonical loops, all composed in C Minor for effortless matching and the creation of multi-layered constructions. To provide maximum flexibility, the content is delivered in a dry format, allowing you to apply your preferred Reverb. Chillout Arps serves as a seamless kick-start for your Ambient and Chillout productions, ensuring a quick and inspiring creative process.

This product is meticulously crafted to enhance your production experience and deliver optimal entertainment. Whether you combine multiple loops or draw inspiration from individual ones, feel free to add your unique touch to complete your productions.

Product Details:
