This is the first pack of presets by J.K.Winders and J.K.Winders for Lightroom Classic along with Lightroom CC. Make your photos stand out with a distinctive lift with the styling settings I use for my personal work.

### Gfx plugin details of J.K.Winders Presets + Toolkit

The product is in the **Lightroom category**, for more information about this post you can click on the home page link in the sidebar.

To search for similar products to J.K.Winders Presets + Toolkit,

It's the Gold Preset, a color preset that is as flexible as the images you can record using a camera engineered to offer stunning contrast and muted vibrancy.

It is the Silver Preset, a monochrome preset that strips away the essentials and provides elegant, simple, and well-balanced black and white images.

The Toolkit, with individual editing shortcuts that help you streamline your workflow and create your own style base.
