

ZBrush Hard Surface Prime by Pierre Sketchzombie Rogers

2025-02-10 16:48:17 label 我要反馈 下载页面

ZBrush Hard Surface Prime: ZBrush is the standard for digital sculpting, and it's an unrivaled sandbox for freeform 3D creativity. Its capabilities permit users to create custom brushes to form textures, paint and shape the virtual clay within a live environment that offers immediate feedback. If you choose to use ZBrush, you'll benefit from the same tools used by film studios, game creators, toy/collectible makers, jewelry designers, aviation/automotive designers, illustrators, scientists, advertisers, and artists worldwide.
