SOUND EFFECTS

Rewind Samples Continuum: UK Garage (WAV): "Continuum" is a dynamic sample collection that skillfully merges subliminal, dark, and evolving future garage basslines with gritty 2-step rhythms reminiscent of the 90s. This sample pack provides a comprehensive overview of the iconic UK-based genre, delivering creative starting points for producers seeking fresh ideas.

Highlighting both straight 4/4 and swung drum patterns, classic keys, signature chopped vocals, versatile airy pads, funky synth riffs, and a variety of sampler-ready tonal one-shots, "Continuum" caters to your fast-paced, mix-and-match sampling needs. Drawing inspiration from the early days of pirate radio and bedroom production vibes, this collection brings an authentic and nostalgic touch to your tracks.

You can almost sense the heat of the dancefloor right now. Embrace the legacy of UK Garage with "Continuum."

All sound content has been meticulously designed by Rewind Samples' in-house team, ensuring industry-standard quality. The samples are provided in the versatile 24-bit/44.1kHz WAV format, both as loops and one-shots. They are presented without additional processing or effects, giving producers maximum flexibility and control over their sound. Feel free to chop, mash up, and transform these samples to let your creativity flourish fully. Explore the wider Loopcloud catalog for further inspiration.
