

## Mobile Lightroom Preset MARTINI (DNG)

2025-02-10 16:58:11 [label](#) [我要反馈](#) [下载页面](#)

**Mobile Lightroom Preset MARTINI (DNG):** This preset is in the design of the cityscape's grays and was designed to be used for street photography within urban environments. However, it can also be applied to urban scenes. They can be used in any travel, urban, or nature photos.

### How to use Lightroom presets to edit the light of your images?

You can edit your images with "Mobile Lightroom Preset MARTINI".

### Where can I download the product?

After subscription, You can download it for free from here.

The majority of my presets can be activated with one click, however, they perform differently for every image. Be aware that every set of presets is different for every image based on a variety of factors like lighting, white balance, etc. There is always the option to email me images to test the various options before purchasing.

If you have questions or require assistance with editing I'm available to help you.

**Note!** This is a SINGLE PRESET IN DNG Format and is only able to be used with LIGHTROOM Mobile App

- The Mobile Preset is the ideal fit with Lightroom Mobile. Lightroom Mobile App. It works perfectly with photos you shoot on your iPhone or Android device.
- There is no need to sign up for any Adobe subscription to gain access to these presets. All you need to do is download access to the LR Mobile App and create an account with Adobe.
- The presets can be used to work with RAW as well as JPEG files. For the most optimal results, shoot in RAW or apply the presets for high-quality photos that are well-lit and high-quality.
