### A COLLABORATION WITH ROXANA B PHOTOGRAPHY

Salt Bundle is a thundering Replica of Utah's Energetic beauty.

With magnificent mountains, shimmering salt flats, and the Great Salt Lake, Inspiration is not in short supply. Roxana and I just let that soul guide us.

Savoring the huge palette of the natural landscape, Those preset provide grand energy and a nearly too-easy program. They stay true to color yet still offer you enchanting and subtle nuances which give Pictures a nip of this"it" variable. Versatile enough for both indoor and outside Settings, this very simple package is all up to the job for whatever from sunrise/sunset sessions to indoor studio shoots. And since they work exceptionally well with Overexposed photographs, you do not need to fret about underexposing your pictures in-camera.
