Zenhiser Vital Trance Kicks (WAV): Embark on a sonic journey into the heart of Trance with our latest addition to the Vital series – introducing "Vital: Trance Kicks." This powerhouse collection is meticulously crafted to elevate your tracks, featuring 300 cutting-edge Trance kicks designed to inject unparalleled energy into your productions. Catering to Big Room, Uplift, and various Trance sub-genres, these kicks are a definitive solution for all your kick drum needs.

Experience the precision of 300 sharp-edged kicks, boasting extreme attacks, perfect initial clicks, and an impactful punch that ensures these kicks will always stand out in your mix. Recognizing the kick drum's pivotal role as the foundation of any track, we've curated these kicks to be the starting point of your production, offering the potential to elevate your music to new heights.

Our Trance kicks are more than just bottom-end thump – they are well-rounded, sonically perfected bundles of energy tailored for the contemporary club sound. Versatile and usable across multiple genres, these kicks are a testament to the uncompromising quality that defines the Vital series. Designed to excel in one specific task – enhancing your future tracks with top-notch kick drum quality – Vital: Trance Kicks is the secret ingredient your studio has been craving.
