Laser Paint line art Vector Tracing - 7213177:

This product is a Photoshop action script for one-color tracing line art, designed for laser, sublimation, and t-shirt printing. It simplifies the process, requiring no advanced skills, and includes a detailed video tutorial for PNG vector tracing. The action script can handle any image size and produces 500 dpi output, converting images to 100% black.

Product Information & Included Files:

- Photoshop action file (ATN format)
- 21 unique effect styles
- Well-documented instructions
- One-click actions for ease of use
- Editable and organized layers for full control

Product Terms:

- Compatible with Photoshop versions CS5.5 to CC2020+ (English version) on both Mac and Windows.
- Developed on CC2015.5 English version.

This product offers professional, easy-to-use results with editable layers, suitable for a wide range of Photoshop versions.
