

Cinematic Street Collection 2021: 15 Lightroom Presets (XMP)

2025-02-10 16:49:03 label 我要反馈 下载页面

Insert a cinematic appearance into Your own photos. Works well on metropolitan shots, roads throughout the night and day, and moody landscapes.

The Cinematic Street Photography Collection 2021 Lightroom: 15 Presets

Good Morning! I am eager to talk with you about this brand new Lightroom presets package I Have refined over my past 3 Decades of journeys and Shoots across the world.

This Cinematic Street package is constructed for excellence, edginess, And fashion. These presets have saved me a ton of time editing photos.

This Cinematic Street presets package is here to attract a Cinematic appearance to your photographs. This package works great for shots shot in urban areas throughout the day and particularly at nighttime. A Few of Those presets will operate Marvels by capturing low light from the roads.

Proceed, get them to play them, tweak them and cause them to Your beginning point for exquisite and amusing pictures!

Presets contained in the package:

- Fushimi 01
- Fushimi 02 c
- Fushimi 03 c+
- Hong Kong 01
- Hong Kong 02
- Hong Kong 03 c
- Roppongi 01
- Roppongi 02
- Shinjuku 01
- Shinjuku 02
- Taipei 01
- Taipei 02
- Taipei 03
- Z-Brooklyn 01
- Z-Brooklyn 02

IMPORTANT: All these presets are for your Lightroom Classic & Lightroom CC. Compatibility is ensured for v7.0 and over. Should you use Lightroom CC, these presets will be accessible on your Lightroom cellphone app.
