Over 750 hardstyle kick samples

The process of creating kicks is among the most difficult parts of production in the hardstyle style. This pack includes drag-and-drop hardstyle kicks, as well as an incredible amount of samples to build your own kicks from. The pack comes with 792 different files and can be the most significant upgrade to your arsenal of samples to date!

Get stronger by embracing style

The pack has been expanded to fit the more diverse genres of hard dance better. Use these 52 Rawstyle kicks to add additional grit to your tracks.

Find your own kicks

We know that producers appreciate the ability to experiment using samples to develop their own unique sound. This is why there are more than 100 tails as well as 80 kicks included in this pack, which allows users to completely design their own kicks. Are you struggling to create your own kicks? Pick one of the built-in kicks in the library.

10 kick templates are included.

In this pack, you will find 10 kick templates to start you with making your own kicks.
