App Cleaner & Uninstaller Pro v9.1.1 for macOS

2026-03-13 15:24:14

App Cleaner & Uninstaller Pro is a smart and efficient solution for cleaning up your Mac and managing extensions. It offers a user-friendly experience for uninstalling apps without leaving any traces behind. The tool operates in Basic and Expert modes, providing a one-click uninstall option or detailed control over app service files.

To delete apps on your Mac, launch **App Cleaner & Uninstaller Pro**, and it will scan all apps, extensions, and startup programs. In Expert mode, easily select and uninstall unneeded items, ensuring nothing is removed without your confirmation. The application serves as a comprehensive cleaning assistant, eliminating junk files associated with uninstalled apps and optimizing Mac performance by managing startup programs and system extensions.

goes beyond simple uninstallation. It allows users to change the default app for specific file types, providing enhanced control over file associations on macOS. The tool detects app leftovers, adds apps to a skip list for protection, and ensures a thorough cleanup for a well-maintained and optimized Mac system.
