#### Premium Overlays Digital Shockwave VH-53713643:

The Premium Overlays Digital Shockwave package is compatible with After Effects 2019 and Premiere Pro 2021 and later versions.

It offers multiple resolutions, including 4K, HD, Square, and Mobile, with no plugins required.

The project allows customization of various elements, such as shockwave color, block orientation (horizontal and vertical), and tint colors.

A Universalizer Controller is also included, ensuring compatibility with any language.
