

Vintage Film Editing Pack (Grain, Transitions, LUTs and Overlays) + Video Tutorial

2025-02-10 17:03:27 label 我要反馈 下载页面

With more than 45 editing components The Vintage Film Editing Pack is an all-inclusive toolkit for cinematic and vintage film projects.

Included in this edit pack are:

- 2 Super 8mm Film Scan 4K Overlays (Kodak 200T)
- 25 different Super 8mm Film Scan assets (film scratches, burns, and more)
- 3-D Film grain Overlays for Video (8mm, 16mm, and 35mm)
- 3 . Re-imagined film leader overlays
- Five Vintage LUTs (16mm Sun Kiss, Orange Ocean, 16mm Black & White Stock, Expired Film Tungsten, Expired Film Daylight)
- 2 Prism Backgrounds (Prism Dance, Prism Light Rays)
- Three Film Burn Transitions
- Instructional Read Me and 2 video tutorials in full

(NOW includes 4K and HD Super 8mm Overlays based on Film scans!)

For information on how to use the packs consult the "Read Me" pdf included in the download (links to videos walkthroughs are available within Reading Me).

Works are compatible with Premiere Pro, Final Cut, Da Vinci, and more
