

### Embrace Presets – The Boudoir Tones

2025-02-10 16:59:42    [label](#)    [我要反馈](#)    [下载页面](#)

**Embrace Presets – The Boudoir Tones:** The Preset Collection has been created for moody, dark artwork. They're popping the highlights and creating the mood you've been looking for. They are designed for low light or directed light Boudoir images. They work well when images are flat or in natural light, providing a moody feel with more excellent contrast.

### Gfx plugin details of Embrace Presets – The Boudoir Tones

The product is in the **Lightroom category**, for more information about this post you can click on the home page link in the sidebar.

To search for similar products to Embrace Presets – The Boudoir Tones, Sure of them have a gritty, sensual feel, while others are characterized by a soft, smooth feel that gives perfect skin. The tone range of this set varies from blue to warm brown tones—mood - Creamy - Faded - BW Magic.

This set is focused on skin tone and can be used with any skin tone!

I have also included a set with nine different Skin Brushes designed to help you illuminate your area of interest.

Preset Collection: The Preset Collection includes 37 Presets.

- This is an XMP file!
- Compatible with
- Adobe Lightroom Classic CC 7.3 (2018 update) and later.
