Helium Sound FX VAMIFY: The unique SFX Sample Pack that is not the typical sound FX package! My latest sound collection is the ideal to-use tool for post-production. Sound artists created it, and globe travelers Julez Jadon and SVRN. This SFX pack includes samples that have been that are based on authentic field recordings from all over the world! You'll find swooshes created by the NYC subway system, nighttime atmospheres of tropical Hawaiian beaches, and massive impacts recorded from the arid jungles of Indonesia. The SFX samples sound amazing! The rich collection of samples combines authentic field recordings and futuristic and contemporary sound design. Provide all the sounds that you require to create your next post-production! If you're looking for the latest and most innovative sounds, don't be opposed to
