**CreativeLive – The Art of Wedding Filmmaking with Alfio Stuto:** What's the difference between the cinematographer and a videographer? How can a single photographer effectively capture a full wedding story? Meet the filmmaker Alfio Stuto for a three-day introduction to the wedding cinematographer's mind and tools. Alfio will go over all you should learn about storytelling in video and post-production workflows, as well as attracting clients, and developing the business. Learn how to select the right equipment for your needs from lenses to lighting equipment and more. Alfio will demonstrate the unique methods he's learned over the past decade of his success as a cinematographer. This includes how to record an event live through moving images that are evocative and be cherished for years to come. At the end of this course, you'll possess the knowledge and skills to tell an engaging emotional story with video and produce results that your clients will appreciate.
