Create Pretty Patterns in Procreate! Unleash your creative prowess and dive into the world of mesmerizing surface patterns! Enroll in our course today to embark on a journey of pattern-making mastery using your iPad and the Procreate app.

Why surface patterns? They're omnipresent in fashion, interior design, children's books, stationery, and countless other creative realms. This course is your gateway to effortlessly crafting beautiful and distinctive designs.

What you'll learn:

- **Intro & Welcome:** Get started with a warm welcome and an introduction to the exciting world of surface pattern design.
- **Materials:** Understand the tools and materials needed for your pattern-making adventure on your iPad with Procreate.
- **Basic Block/Tile Repeat:** Master the fundamental skill of creating seamless block or tile repeats, laying the foundation for intricate patterns.
- **Half-Drop Repeat:** Dive into the half-drop repeat technique, adding complexity and depth to your designs.
- **Side Note...:** Explore additional tips and tricks, enhancing your understanding and refining your pattern-making abilities.
- **Brick Repeat:** Learn the art of crafting patterns with a brick repeat, expanding your repertoire of design possibilities.
- **Toss Pattern:** Delve into the dynamic world of toss patterns, creating fluid and organic designs.
- **Class Project & Freebies:** Bring it all together with a captivating class project and receive exclusive freebies to fuel your creative journey.

Are you ready to transform your iPad into a canvas of endless possibilities? Join the course, and let's make your pattern-making dreams a reality!
