2025-02-10 17:03:42 [label](#) [我要反馈](#) [下载页面](#)

The Cinematic Group Includes 40 Presets to get Adobe Lightroom - entirely compatible with Desktop & Mobile variations of Lightroom.

This group was carefully crafted to match A vast array of shooting conditions such as portraits, landscapes, lifestyle, And business photography. By employing a Distinctive cinematic pattern, these Presets can allow you to accomplish a great tonal balance, all from the click of a button.

What is included?

- This Package Includes 40 presets in total:
- 30 Landscape Presets
- 5 Portrait Presets
- 4 Creator Presets
- 1 Astro Preset
- 10 Of my RAW files
- User Guide

I've made these presets to operate on documents from Canon, Sony, Nikon, Panasonic, and Fuji cameras and also have analyzed on multiple cellular Camera RAW files. The presets operate on both the Lightroom Desktop along with the Lightroom Mobile program, such as all heritage Lightroom versions.

Each of the presets is now completely iso-adaptive, further Improving picture quality at high ISO.

Why WithLuke?

All these presets are a culmination of decades of visualizing Color and careful tweaking that will assist you to attain a special and cinematic tonal Balance on your pictures. I use those presets and processes to get a daily basis. And this balancing has helped me to create a customer portfolio of top brands across the globe, in addition, to increase my viewers by over 540,000 followers on Instagram.

They'll dramatically Accelerate your workflow in lightroom And will work as a foundation to change your own edits. The presets will also be an Effective method that you understand to edit working backward from the preset To be able to visualize the methods behind my editing design.
