SOUND EFFECTS

Ellis Essentials:

- Essential sounds commonly used by industry professionals are included to streamline your production process. This ensures you have access to the exact hi-hats, 808s, and more without the need to search through multiple kits.

Snare Roll Midis:

- Stay ahead of the curve with essential snare roll midis. These dynamic elements, typically placed towards the end of an 8-bar loop, inject individuality into your beats and guarantee they stand out.

Bonus Samples:

- We've included bonus samples created using various analog synths to make this kit even more versatile. Approved by industry producers such as Southside, these samples are perfect for experimentation and seamlessly integrate with the kit, offering a truly jam-packed production experience.

What is Ellis Lost Lost Pack VOL.2 Drum Toolkit?

It is a comprehensive collection of drum sounds, MIDI files, percussion loops, and bonus samples designed to streamline the beat-making process and inspire creativity. The kit includes over 200 premium drum sounds meticulously chosen to align with the latest industry sound trends. Categories such as 808s, claps, FX, hi-hats, kicks, open hats, percs, rims, shakers, snares, and wows ensure a diverse range of sounds suitable for various music styles.
