The G-Presets: Sydney Noelle introduces a preset pack designed to enhance the inherent beauty of photographs without excessive manipulation.

How to adjust your images with high-contrast black-and-white styles and true green colors using presets in Lightroom?

You can use "G-Presets: Sydney Noelle" to edit your images beautifully.

Emphasizing real feelings and natural aesthetics, these presets bring out warm soft light, the blue hour in the desert, and the natural unfolding of a day. The pack transforms images into more emotional, nostalgic, and enhanced versions, featuring true greens, bright whites, and natural skin tones. It includes 6 color and 4 black-and-white presets, each tailored for specific conditions and effects, ranging from subtle adjustments to nostalgic film emulations and high-contrast black-and-white styles. Ideal for photographers seeking organic, natural results, the Sydney Noelle Presets offer versatility and subtle enhancement.
