Christmas-like Winter

The FESTIVE Winter Preset Bundle includes 16 meticulously crafted Lightroom presets in the spirit of cozy winter evenings and cold, snowy days. If you're looking for options that can help create a more magical experience for your cozy, candle-lit interior images or to make your grey winter photos more vibrant and white This Lightroom preset collection of presets is the one for you. The toning and hues of these presets can be clear and bright for outdoor photography, or warm and soft for indoor photography with low light.

Best FOR

This Lightroom presets are best suited for indoor, landscape food, and lifestyle photography, but they can also be used for any other urban photography. The presets you use will give an even style and look to your photos to your website, Instagram, family album or portfolio. I am a fan of the FESTIVE Winter bundle for images with candles or snow-covered landscapes, as well as any other photos that I'd like to give a white and bright accent or a warm and beautiful glow.
