Mimity - Admin Dashboard Template

2025-05-23 12:53:22

Mimity is a clean simple modern responsive admin dashboard template build with latest stable Bootstrap v5.1.3.

Features:

Fully Responsive

Sidebar themes

Expanded and collapsed sidebar layout

Advanced UI Elements with consistent design including libraries

Kick-start your development with npm scripts

Speed up customization with Sass css preprocessors

Use vanilla js for optimization and lightweight, except plugins that require jQuery

Credits: The following libraries, tools, and plugins are used in creating the Mimity admin template. You can find documentation and examples for each one on their respective pages
