JennypearlPhoto - Jenny Pearl Presets 02:

JENNY PEARL PRESETS 02 has a collection of beautifully crafted photo editing presets for Adobe Lightroom CC Classic 7.3 and higher. Wherever warm creamy tones and detailing are needed, this pack is meant to shine; the range of lightroom presets covers seasonal portraits to cozy indoor ones. Summer always brings vibrance, and Winter brings gloom. The range is balanced and ensures consistency across various photography niches, which helps achieve sleek, professional-looking photographs. This preset pack is designed to simplify life for all desktop Lightroom users since it is not intended for mobile.

Includes

- **Summer:** Tones artistically focus on vivid sunlit feelings with warm breeze aesthetics.
- **Fall:** Warm, subtle, earthy golden tones that highlight the beauty of autumn.
- **Winter:** Shadings capture the winter light. They are calm and crisp.
- **INDOOR:** Shadings suitable for indoor photography. They are softly lit and natural.
- **B&W:** Shadings with timeless black and white presets with harsh, enriching contrast and texture.

File Details:

- **Format:** These files are in the form of a zip file.
- **File Type:** Lightroom CC Classic with 7.3 and later will support this —or later versions.
- **Instructions:** Contained in the compressed file.

Note: These presets are desktop-specific. They are unable to function in Lightroom Mobile.
