The complete horse sound Design Suit

9GB of high-quality and royalty-free SFX featuring a myriad of horses, a plethora of Foley sounds, passing-bys and steps across various gaits and on different surfaces.

PLAYABLE KONTAKT FOLEY INSSTRUMENT

One of the main features is that we included an interactive KONTAKT 5 instrument which allows you to connect with the Foley actions to the project. Scroll down to watch the tutorial to discover how simple it is. With BOOM Library Horses and BOOM Library - HORSES, you're prepared to go on your next adventure.

* There is no KONTAKT player included. A complete version of KONTAKT 5 is required.

includes:

- HORSE.Movement.Kontakt.Resources
