

BarCodeWiz ActiveX Control v7.1

2026-10-07 08:31:15

- Produce one recorder, pages of tags, or mail merge files in **Microsoft Word**.
- Blend cells into barcodes or complete sheets of tags straight in **Excel**. Produce barcodes.
- Add barcodes for your Access Reports.
- Compatible with all versions of **MS Office** from **97** into **2016 and 2019 (such as 365)** and **Windows 2000** into **Windows 10**. Contains 32 and 64-bit versions.
- Pick from 23 kinds of barcodes, both linear (1D) and 2D.
- Add barcodes for your program. Compatible with .NET, VC++, VB6, VBA, Delphi, and many others. The two 32 and 64-bit models are supplied.
