Create Templates & Publish as a Digital Flipbook: Elevate your artwork presentation with this comprehensive class designed for artists and surface pattern designers who want to create stunning portfolios using Canvassly effortlessly. Say goodbye to the time-consuming process of building portfolios and embrace the simplicity of using Canva to craft versatile templates. This class ensures that you can showcase your beautiful artwork professionally and with ease, making it a breeze to share with potential clients.

What You Will Learn:

- Sell Sheet Portfolio in Canva: Master the creation of a dynamic sell sheet portfolio to showcase your artwork effectively.
- Lookbook Portfolio in Canva: Explore the steps to design an engaging lookbook portfolio for a more visual display of your artistic creations.
- Portfolio Templates: Learn how to create reusable portfolio templates, saving you time and effort in future presentations.
- Digital Flipbook Publishing: Discover how to publish your portfolio directly from Canva into a digital flipbook using Heyzine or Issuu apps.

Why You Should Take This Class:

- Streamline the process of professionally presenting your artwork, making it easier to pitch to potential clients.
- Transform your beautiful artwork into captivating portfolio layouts that demand attention.
- Simplify the display of your art, ensuring it doesn't go unnoticed.

Who This Class is For:

- Perfect for artists and surface pattern designers seeking to simplify the creation and presentation of their sell sheet or lookbook portfolios. This intermediate-level Canva course assumes a basic understanding of the Canva interface.

Materials/Resources:

- Canva account (free or paid)
- Issuu OR Heyzine account (free or paid)
- Your artwork is saved as 8.5x11 JPEG/PNGs - at least three pieces

Your art deserves to be seen, and this class empowers you to showcase it effortlessly and professionally! Enroll now and take the first step toward sharing your creativity with the world.
